

Organizational Fundraising
at OnlineStoreRewards.com

**The Easiest
Way to**

Hello Members!

We want to tell you about an exciting new program that we have instituted in an effort to raise funds. We have partnered with Organizational Fundraising, an on-line mall affiliate program that enables us to receive a percentage back of the on-line shopping you do everyday. The only thing you have to do is browse the mall for your desired retailer and then shop that retailer's site as you normally would. Once you have made a purchase, the retailer will send a percentage back to the organization. It's so simple! *The easiest way to give back to the organization!*

Why do retailers reward organizations?

On-line shopping has become big business for retailers, from big box stores down to small boutiques. They are looking for a loyal on-line customer base and are willing to reward a percentage of total sales to any organization that brings them customers. Think of it as the retailer spending its advertising budget with us rather than through other media.

What can be purchased through the program?

Products and services that can be purchased include things such as cell phone contracts, Dish Network contracts, on-line shopping with large and small retailers, business services, restaurant, travel and entertainment packages and much more. There are over 150 stores to choose from and it's growing daily! Take a look at some of your more popular retailers below.

There is no extra cost to you, in fact, the mall offers lots of discounts like free shipping!

A perfect way for your family to give back to our organization without coming out of pocket! Make your on-line purchase count!

Buying flowers or jewelry for Valentine's Day? Need office supplies? Buying back-to-school or seasonal clothing? Buying gifts? There are lots of retailers to choose from, do all your ordering through our mall!

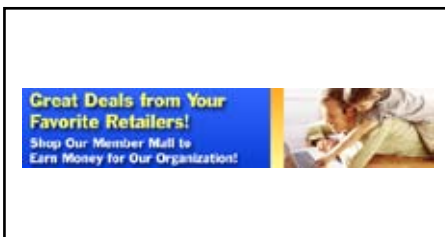

Clip this out and place near your computer!
